

Greetings,

This letter is to express my interest in the Director of Student Media position at Florida Atlantic University.

As a former sports editor of the Atlantic Sun, it would be a privilege to return to my alma mater to mentor students and oversee the operations of the newspaper and TV and radio stations.

During more than 25 years as a professional, I have excelled in a variety of journalism and management positions. Reporter. Writer. Editor. Bureau chief. Producer. Metro editor. Online editor. Sports editor.

I have supervised young reporters and interns, many of whom have had highly successful careers in journalism and other walks of life. I also have developed well-rounded skills in broadcast, print and online media that will be invaluable to FAU students.

As a member of the FAU staff, I would endeavor to create a positive and collaborative environment in which student media thrive and students learn and grow.

Thank you in advance for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Joseph Schwerdt
